Invitation to Professor Yingjie Cai to conduct research at the University of Salford as an Academic Visitor

Dear Professor Yingjie Cai,

I am pleased to invite you to visit the University of Salford for a duration of 6 months between 1 July 2019 and 1 April 2020.

I understand that you will be supported by a scholarship from Fuzhou University in China and the funding will cover your international airfare, living expenses and health insurance for a period of 6 months.

I have communicated with you for several times and can attest that your English level satisfies our requirements for an Academic Visitor. You will conduct research in the area of mechatronics and robotics, in which you have excellent publications and significant experience already. Your academic visit to the University of Salford is intended to facilitate independent research as set out in your application.

The University of Salford provides high quality higher education in the field of Aeronautic and Mechanical Engineering and has a leading research in the fields of health, robotics, energy, media and the built environment. During your stay at Salford, you will be responsible to Dr Guowu Wei for such duties as having been determined appropriately for this application. You shall be provided the necessary support for carrying out the research including providing office space, materials supplies and access to our library and other research facilities. The bench fee for this position is £1,000.

Please note that academic visitors are not permitted to engage in work in the UK other than the academic activity for which they are admitted under the Immigration Rules.

I look forward to your visit.

University of
Salford
MANCHESTER

Yours sincerely,
