REF: Ocean Sciences Meeting 2020

Abstract ID: 642194

Abstract Title: Physical Modulation to the Biological Productivity in the Summer Vietnam Upwelling System, Western South China Sea

Dear Wenfang Lu,

This letter will serve as an invitation for you to attend the Ocean Sciences Meeting 2020 that will be held 16-21 February in San Diego, CA, at the San Diego Convention Center. Thank you for submitting an abstract for consideration to this meeting. The Ocean Sciences Meeting is open to all those with related interests in understanding the Ocean sciences. Participation in the meeting includes attending sessions in your areas of interests and an opportunity to communicate with others working in the field of ocean sciences.

This is an invitation to participate in the meeting, but not a personal sponsorship of your stay in San Diego. You will need to secure your own funding for travel, registration, and housing expenses as needed. Please refer to the Ocean Sciences Meeting Web site for information at: <https://www.agu.org/ocean-sciences-meeting/>.

We look forward to your attendance at the Ocean Sciences Meeting 2020.

Sincerely,

A handwritten signature in black ink, appearing to read "Nicole Oliphant".
